

# WINTER NEWSLETTER 2018

## Changes and updates

**Sewer line** – Since our busy summer having to get the septic tanks in Camp 5 and Para emptied on a regular basis, we have installed a new sewer line from Camp 5 to our holding tanks in Camp 3 to remedy this problem.

Happy campers this summer with no more trucks and smells! Total cost of new line and installation was \$25,000.00. A lot of money spend with nothing to show as it is all underground but will improve the quality of your stay!

## Camp 6 – new water reticulation

We have installed a new water line and taps around the perimeter of Camp 6.

Prior to this there was 3 taps in Camp 6 which everyone had to share, now there is a tap per site.

## Years grace off site

It has come to our attention that many campers under the impression that you can take a year break from bookings and still have first preference on their previous site.

Unfortunately, this is not the case. As you probably know families get attached to sites so priority to those who stayed on the site the previous year.

If you do apply to come back the subsequent year and no one else has applied for your favourite site then you will get first preference to it again.

## Winter Rate

Take advantage of our specials over the winter period (Valid to 1 October).

Great prices with great sea views.

Very restful time to come and stay.

Special rates are not valid for online bookings, please contact the office.

## Housekeeping Reminders

### Christmas/Summer 2018/19

**Booking Confirmations** – will be out by 17 June 2018. **Remember initial deposit due by 1st August** to secure your booking, your stay!

### Booking Applications for 2019/20

**Season** – we take these from 1 January to 1 May 2019. Any applications received after this date will still be allocated to sites but will have second preference to sites. To avoid disappointment, make sure you have your application in before 1st May each year. These forms are available in the office or on our website [www.motorcamp.co.nz](http://www.motorcamp.co.nz) – Xmas Booking or alternatively send us an email with your dates and preferred site.

## Site fee and payment updates

### Deposits & site fee payments –

Deposits due by 1st August for the Xmas/ Summer bookings still applies but we have added a second deposit requirement. This second deposit is due 30 days before arrival and it is for the remainder of the base site fees of your stay. Extra people or children can be paid at this time or on arrival. We have implemented this second payment to coincide with our Cancellation Policy – “sites cancelled within 30 days of arrival, full site fee is required”. We believe that having site fees paid before arrival will enable us to speed up the check-in process as many sites will not have anything left to pay on check-in. If you have any questions please contact our office.

\* Fee Increase – effective from 1 July 2018 to 30 June 2019.
